

22nd Meeting of the Scientific and Technical Review Panel

25 March 2019

It was the first STRP meeting of the triennium and of STRP Chair David Stroud and Vice Chair Lisa-Maria Rebelo

The 22nd Meeting of the Scientific and Technical Review Panel (STRP22) took place at the Ramsar Convention Secretariat's headquarters in Gland, Switzerland from 18-22 March 2018.

28 participants including new STRP members, observers and STRP NFPs from Belgium, Czech Republic, Netherlands and United Arab Emirates attended the meeting. It was the first meeting of the triennium and of STRP Chair David Stroud and Vice Chair Lisa-Maria Rebelo.

Key outcomes:

- Five thematic work areas were defined;
- High priority tasks were defined; they are aligned with priorities established by the COP13 and the Strategic Plan, have significant policy relevance to other International Agreements, have high potential for outreach and address pressing conservation needs.
