

**Convention on Wetlands (Ramsar, Iran, 1971)  
2nd Meeting of the Conference of the Contracting Parties  
Groningen, the Netherlands  
7-12 May 1984**

### **Recommendation 2.7: Conservation of Djoudj National Bird Park, Senegal**

AWARE of the catastrophic drought currently prevailing throughout the Saheli

INFORMED of the measures taken by the Government of Senegal for the conservation of the Djoudj National Bird Park;

DRAWING ATTENTION to the severity of the threats to the future of Djoudj, which figures on both the Ramsar and World Heritage Lists, and is thus of symbolic significance;

#### **THE SECOND CONFERENCE OF THE CONTRACTING PARTIES**

RECOMMENDS that special measures be rapidly taken to safeguard the future of Djoudj.
