THE CONFERENCE OF THE CONTRACTING PARTIES

7. REQUESTS the Secretariat to continue to cooperate closely with relevant conventions through its observer status in the Joint Liaison Group for the three Rio Conventions – the UN Framework Convention on Climate Change (UNFCCC), the Convention on Biological Diversity (CBD), and UN Convention to Combat Desertification (UNCCD) – and through the work of the UNEP Environment Management Group (EMG), of which the Ramsar Secretariat is a member;
8. ALSO REQUESTS the Secretariat to continue to be fully involved in the work of the Biodiversity Liaison Group (BLG) established under the *aegis* of the CBD and to report regularly to Standing Committee on progress achieved by this group;

10. INVITES the Secretariat to continue to develop cooperative relations with UN agencies such as UNEP, UNESCO, the UN Food and Agriculture Organization (FAO), the World Tourism Organization, and the World Health Organization (WHO), as well as with other relevant intergovernmental organizations such as the Global Biodiversity Information Facility (GBIF), UNEP-WCMC, and the CGIAR networks, and to seek to reduce duplicative activities;
11. 12. ENDORSES the Secretary General's emphasis upon the value of closer working and consultative relationships with financial institutions, such as the Global Environment Facility and the regional development banks, with a view to facilitating greater access to those resources by the Parties to the Convention;
13. ENCOURAGES the Secretariat to continue working closely with the Danone Group and the Star Alliance in mutually beneficial ways and to be prepared to develop similar relationships with the private sector where these can be beneficial to the Convention and consistent with the Convention's mission and objectives;
14. URGES the Secretariat to continue its extremely valuable collaboration with the five International Organization Partners and ENCOURAGES the IOP representatives to take steps to increase awareness of Ramsar objectives and the collaborative relationship with the Convention to the greatest extent possible throughout their organizations;

15. FURTHER URGES the Secretariat to remain alert for opportunities for developing similarly fruitful relationships with other non-government organizations as they may appear and, following a review of MOUs already in place with other NGOs, to foster increased cooperation with those NGOs that can most benefit the work of the Convention;
16. REQUESTS the Scientific and Technical Review Panel (STRP), subject to the availability of time and resources, to exchange information and coordinate activities with the equivalent subsidiary bodies of other MEAs and relevant regional fora, including through meetings of the chairs of scientific and technical subsidiary bodies convened by the Secretariat of the CBD, and to report through the Standing Committee to the Conference of the Parties on these activities;
17. REQUESTS the Secretariat to continue its participation in the UNEP-WCMC project for developing tools for the on-line use of the biodiversity-related conventions, including those for possible on-line harmonized reporting by the respective parties; and
18. URGES Contracting Parties to take active steps at national level to improve regular liaison and collaboration between Ramsar Administrative Authorities and focal points and the focal points for related conventions and agreements, perhaps through their inclusion in National Ramsar/Wetland Committees, in order to ensure national responses to global environmental issues that will be as consistent as possible with the objectives and values of the Ramsar Convention.
