Meeting location and accommodation

Kufstein is a small city in the Alps with an impressive fortress overlooking the river Inn (www.kufstein.com).

The Meeting takes place in the conference hall Stadtsaal Kufstein (www.stadtsaal-kufstein.at) in the town centre. The hall is connected to the Hotel Andreas Hofer. The location is within walking distance from the train station (Bahnhof Kufstein), cf. plan above.

Stadtsaal Kufstein / Hotel Andreas Hofer
Georg Pirmoserstrasse 8

Light buffet lunches and coffee breaks will be served from Monday to Friday to registered participants in the Hotel Andreas Hofer.

Participants are encouraged to stay either in the Hotel Andreas Hofer or the nearby Hotel Stadt Kufstein (cf. Registration Form), where provisional bookings have been made.
How to reach Kufstein

**BY AIR:** The most convenient continental hub is Munich airport MUC. From Munich airport train connections run about every hour to Kufstein (average travel time is 2 hours). For time tables go to [www.oebb.at](http://www.oebb.at) or [www.bahn.de](http://www.bahn.de).

Other airports with bus/train connections to Kufstein are Innsbruck INN (about 1-2 hours to Kufstein), Salzburg SZG (about 2 hours), Vienna VIE (about 5 hours) or Zurich ZRH (about 5 hours).

**BY TRAIN:** Kufstein is well deserved by Austrian and international trains coming from Munich, Vienna, Zurich or Verona with connections beyond. For time tables have a look at: [www.oebb.at](http://www.oebb.at)

**BY CAR:** Kufstein can easily be reached via the motorway Innsbruck–Munich.
- **from Innsbruck:** 75 km on A12 towards Munich, exit “Kufstein Süd”
- **from Munich:** 130 km on E52, E60 towards Innsbruck & A93, exit “Kufstein Nord”
- **from Salzburg:** 105 km on E60 towards Innsbruck & A93, exit “Kufstein Nord”

Here you find a plan how to reach the Hotel Andreas Hofer from motorway exit “Kufstein Süd”.

**Car parking:** Please ask on arrival at the hotel reception for special instructions.

**Field visits and optional excursions after the Meeting**

Two field visits will take place on Tuesday and Wednesday afternoon, to look at issues related to river and peatland restoration, flood management, disaster risk reduction, hydropower generation, tourism and agriculture in Alpine and Karst areas.

Optional field tours are offered to interested participants after the Meeting on Friday afternoon (peatland restoration) and on Saturday (mountain hike). Please note your interest in participating in a post-Meeting tour in the registration form.

Please bring adequate equipment (hiking shoes) and clothes for possibly cold or rainy weather.
