

WAIT! WAIT! LET IS

DISCUSS ABOUT IT!

WE NEED THE WATER

HEY, WHAT'S

WE HAVE NO TIME FOR

DISCUSSIONS. WE HAVE A FULL

AND MY LIVESTOCK CAN BE FED WITH THE GRASS...CATTLE. FOOD IS REALLY EXPENSIVE NOWDAYS...

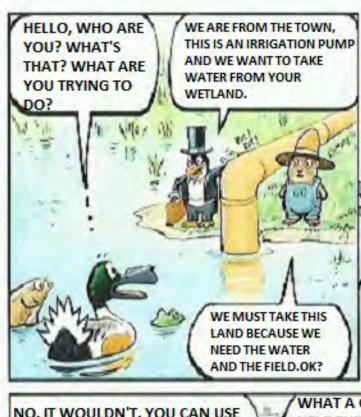

OH I ' VE GOT AN IDEA! WHY
WE DON'T PUT MACHINES TO
IRRIGATION WATER? I THINK WE
WILL RECYCLE THE WATER!

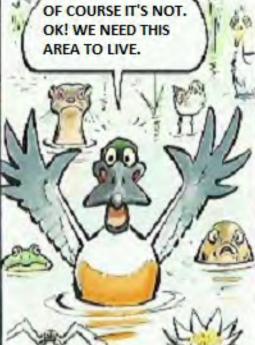

YEAH THAT IS A GOOD IDEA
BECAUSE ALL THESE ANIMALS NOT
NEED TO MOVE TO ANOTHER LAKE.

OH NO! BUT IT'S IMPORTANT
FOR OUR ANIMALS AND IT'S A
GOOD SOURCE OF WATER FOR
OUR FIELDS.

IT WILL ALSO HELP US DURING THE
DRY SEASON AND WILL ASSIST IN

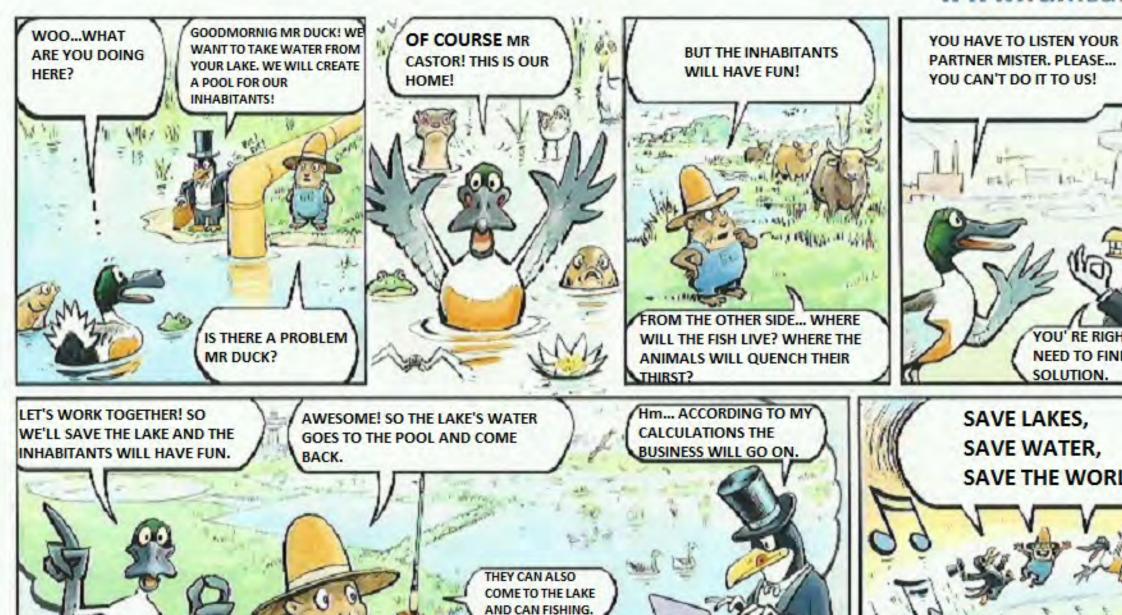

PURIFYING THE WATER.

YOU'RE RIGHT! WE

WE CAN BUILD A SYSTEM

WHICH IS CONNECTING THE LAKE WITH THE POOL!

LET'S START... WITH SONG AND

DANCE!
